## A Note from Mrs. C.

Unbelievable! We are already in our 5<sup>th</sup> week of school. How can this be? I hope by now you and your child are getting comfortable with the new year. Please let me know if you have any questions.

This week you will receive a couple of packets of work that have been graded. One packet is the homework packet. This stays home for your own keepsake. The second packet is a test packet. The way this works is as follows: I send it home; you go through it with your child and sign EACH test. Please return the entire test packet. I will file these in a portfolio for your child. As you go through the homework packet, you can help the kids with any questions. If you see an error, please just send it in with a note with your child and have them show me. I'll look and explain it or fix it if needed.

Your generosity with supplies has been overwhelming. Thank you from the bottom of my heart!

We must start planning our Harvest Party. 😊 Crazy as that may seem, it's right "around the river bend." (Pocahontas). I will be talking to Brenda, Ava's mom and then we will get in contact with you soon. If you'd like to help, please reach out to Brenda when the time comes or class Dojo me a message.

Please remember, your child's agenda is very important for you to get updated information and to help your child with responsibility. I ask again that it is brought to school and is looked at and signed each night. Fridays are an exception. We don't usually fill them in. I am so excited to see what we will do together this year.

<3 Have a blessed week.
